

HP Stream 11 Pro Notebook PC

Give your students the world with the affordable HP Stream 11 Pro, a thin and light notebook loaded with Windows 8.1¹ and ready for cloud-based and offline productivity.

HP recommends Windows.

- Windows 8.1 Pro for Education¹
- 11.6" diagonal display

Anywhere, anytime learning

- Get up to speed with full Windows 8.1¹ that delivers productivity online and offline with your local applications. Microsoft OneDrive² helps ensure your files are always available on the cloud.

An ultra-slim power tool

- Meet the notebook that's ultra-slim and ready for class or the mobile workforce. The HP "Cloud First" design is super-sleek, slim, and fanless for minimal distractions from ambient noise during testing or instruction.

Solid, secure, and worth every penny

- Experience unbelievable value with an Intel[®]-based notebook that boots fast and runs cool to the touch. TPM encryption and long battery life help ensure you don't miss a beat.

Featuring

- A full installation of Windows 8.1¹ enables working and studying online and offline with compatible applications.
- Buy Office for complete working versions of familiar tools like Outlook, Word, PowerPoint, and Excel.
- Keep all projects on Microsoft OneDrive² cloud storage and access from any connected device.
- The embedded Trusted Platform Module 1.2 (TPM) provides hardware-based encryption keys to help secure data, e-mail, and login credentials.
- Enable teams to collaborate and excel at projects with a 720p HD webcam, an enhanced microphone that helps reduce noise and echoes, and DTS Studio Sound[™].
- Add your choice of peripherals, connect to a display, and expand your storage options with a range of ports.
- Customize workspaces with a range of optional accessories,³ including the HP USB Ethernet Adapter and HP HDMI to VGA Adapters.
- Rest easy with support you can trust and keep everything running smoothly with HP's world-class one-year limited warranty. Extend your protection with optional HP Care Pack Services.⁴
- Power through your day with long battery life so you can collaborate, research, and complete work while on-the-go.

HP Stream 11 Pro Notebook PC

Accessories and services (not included)

HP Essential Top Load Case

The HP Essential Top Load Case is a light and durable notebook carrying case that includes high-density foam cushioning to protect your notebook (up to 15.6 diagonal inches) while traveling between meetings or in and out of the office.

Product number: H2W17AA

HP Slim Ultrabook Backpack

The HP Slim Ultrabook Backpack—a stylish, durable, and compact messenger bag built for your Ultrabook™ or Notebook PC. A black twill fabric accented with gray plaid combines form and function to help protect your hardware and give you a polished appearance.

Product number: F3W16AA

HP 3-button USB Laser Mouse

The impressively sleek and durable HP 3-Button USB Laser Mouse is designed for everyday performance and to complement your HP Business Notebook.

Product number: H4B81AA

HP 45W Smart AC Adapter

Be productive throughout the day and keep an extra adapter on hand with the lightweight and versatile HP 45W Smart AC Adapter.

Product number: H6Y88AA

HP HDMI to VGA Adapter

The HP HDMI to VGA Adapter maximizes the display functionality of your HP Ultrabook™ or Notebook PC by converting the HDMI output signal to an analog VGA input for easy connecting to an external VGA display for dual-display productivity.

Product number: H4F02AA

HP USB Ethernet Adapter

Easily connect your HP Notebook, Ultrabook™ or tablet to an Ethernet network.

Product number: XZ613AA

Messaging Footnotes

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>. Available on select configurations and sold separately.

² Sold separately.

⁴ Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

Technical Specifications Footnotes

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com> for details.

² Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing system required. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

³ For storage drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 8.24GB (for Windows 8) is reserved for system recovery software.

⁴ Double-layer discs can store more data than single layer discs. However, double-layer discs burned with this drive may not be compatible with many existing single-layer DVD drives and players. Note that DVD-RAM cannot read or write to 2.6 GB single-sided/5.2 GB double-sided – version 1.0 media. Don't copy copy-right protected materials.

⁵ Wireless is an optional add-on feature and requires wireless access point and Internet service is required and is not included. Availability of public wireless access points limited.

⁶ Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming media players that also support Miracast. You can use Miracast to share what you're doing on your PC and present a slide show. For more information: <http://windows.microsoft.com/en-us/windows-8/project-wireless-screen-miracast>

⁷ HD content required to view HD images.

⁸ External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.
